

# EL CHIVI

URUGUAYAN STEAK SANDWICHES

*Hello and thank you for inquiring about catering by El Chivi....*

El Chivi is inspired by the rustic houses of Colonia Uruguay. Serving fresh artisan bread, locally sourced produce and pickled ingredients, tender scotch fillet steak that melts in your mouth, or an amazing vegan option - we are changing the way people eat steak sandwiches.

Let us treat your guests to one of our catering packages with different styles to choose from or something tailored to suit your budget or event:
